

**CONVERSATIONS**  
WITH THE **EARTH**

INDIGENOUS VOICES  
ON CLIMATE CHANGE

**“Our proverb says, ‘The ox never gives birth, and it never rains in the dry season.’ But now we have rains in the dry season, and it’s dry in the rainy season”.**

*Shagre Shano Shale - Doko, Ethiopia*

The multimedia exhibition 'Conversations with the Earth: Indigenous voices on Climate Change' is showing in Copenhagen at the National Museum of Denmark and at the Klimaforum09.
